RE: Concord Avenue at Goden Street and High School Driveway Intersection Traffic Signal Design – Revision of Service Connection and Conduit Layout – Additional Services

Dear Mr. Albuquerque:

The BSC Group, Inc. is submitting this request for additional services under our agreement dated 15th November 2018.

The additional services are for modifications to the proposed service connection to the traffic signal controller cabinet, and include:

1. Revision of underground service connection conduit and electric handholes per Belmont Electric Light recommendation at Concord Ave/Goden St, and Concord Ave/Orchard St.
2. Revision of previous conduit layouts in the vicinity of the proposed service connection to avoid conflicts.
3. Issuing of new set of revised traffic plans
4. Coordination with Client regarding changes

BSC, has estimated a budget of One Thousand Five Hundred dollars (\$1,500) dollars for the above additional services.

Please endorse below and return this letter for our records.

Sincerely,

BSC Group, Inc.

Sam Offei-Addo, P.E., PTOE
Senior Project Manager/Senior Associate
