F181F - CONFERENCE ROOM

SCOPE

Incorrectly specified as a component design/in table, this space required a wall plate style interface.

Took interface from F256 to leave Conference Room 181F functional while we await DOA panel replacement.

Component pair will be removed from design/Sales Order, replaced with a wall plate style unit as specified.

This will then be installed in F2566 when received.

TERMS

I accept this proposal and hereby authorize CCS New England at 132 Northeastern Blvd Nashua, NH 03062 to proceed with the purchase of the included equipment for the facilities of Belmont Public Schools constructing at 644 Pleasant Street Belmont, MA 02478 as described in the totality of this document. In keeping with the Terms of Payment listed above. This proposal is valid only if accepted in writing by Belmont Public Schools within seven days of the Proposal / Quote Date and the deposit (if required by the terms) is received on or by the Acceptance Date. Price quotes contained herein shall remain valid for a period of no more than 7 days from the Acceptance Date, after which pricing may be subject to increases due to fluctuations in tariffs assessed to CCS on products imported from abroad. All pricing is subject to change after 7 days from the date of this proposal. Customer understands, acknowledges and assumes full responsibility for any such price increase due to fluctuations in tariff charges incurred after 30 days from the Acceptance Date. Unless otherwise specified, all labor rates are based on non-prevailing wage. Payments made by credit card will be subject to a 4.0% convenience fee. Any custom orders are final sale and are non-cancellable or returnable.

WARRANTY

CCS warrants the system installation to be free of defects in workmanship and fit for the intended purpose for a period of 1-year parts and labor. This warranty does not cover equipment or system abuse, misuse including but not limited to:

- Operating outside of environmental, electrical, temperature or humidity specifications
- System alterations, not approved, nor performed by CCS or by a service facility other than those authorized by the manufacturer.
- Customer alterations, changes to and or modifications to system equipment. Restoration of system to original state will be billed on a time and materials basis.

After one-year parts, any future service requirements will be billed on a time and materials basis unless a CCS Service Contract is in place. All new equipment, provided by CCS, includes the manufacturer’s warranty. CCS warrants that all AV equipment will be installed in accordance with the manufacturer’s recommended environmental and electrical operating conditions and requirements. CCS systems are under warranty against defects in workmanship for a period of 1-year parts and 90 days labor from the date of system acceptance or substantial completion. Owner furnished equipment and products not purchased from CCS are not covered under warranty.

EXCLUSION

CCS Service Level Agreements and Warranties do not cover equipment or system modifications, abuse, misuse including but not limited to:

- Operating outside of environmental, electrical, temperature or humidity specifications
- System alterations, not approved, nor performed by CCS or by a service facility other than those authorized by the manufacturer.
- Customer alterations, changes to and or modifications to system equipment. Restoration of system to original state will be billed on a time and materials basis.

GENERAL

All audio and video cabling, adapters and connectivity provided by CCS are intended to meet the standards of each appropriate connection. CCS is not responsible for customer provided source devices and/or adapters that do not meet the standard requirements of the connection. Customer provided adapters or cabling should be approved by the manufacturer. System issues caused by unapproved cabling or adapters may, at the discretion of CCS, result in additional charges for time and materials. This system is not designed to exceed the native resolution of the display. CCS shall not be responsible for any millwork, coring, painting or other finish work associated with the installation.

OWNER FURNISHED EQUIPMENT

All existing equipment and cabling that is being re-used is assumed to be in working order. If any equipment needs to be repaired or replaced, a new quote can be provided with appropriate pricing.

POWER REQUIREMENTS

Customer will be responsible for providing a suitable source of electrical power for all equipment specified requiring a power supply.

ROOM AVAILABILITY

Quotation assumes the room will be available without interruption during normal working hours 7am to 5pm on the days for which the installation is scheduled. Any significant delays resulting from lack of access to the room or site readiness shall be billable at prevailing rates.

FINISH WORK

CCS shall not be responsible for any millwork, coring, patching, painting or other finish work associated with the installation.

NETWORK

Customer will provide any network connectivity to any devices requiring a LAN connection.

CONTROL and or DIGITAL SIGNAL PROCESSOR (DSP) CODE

CCS is not responsible for acquiring existing system Control and or DSP source code. If the current code is not available, cannot be recovered from the system or a previous AV Integrator, the source code will need to be rebuilt at the customer's expense. This process will delay the project schedule. CCS may assist the customer in their attempt to recover the code at our standard hourly labor rate.

INSTALLATION CANCELLATION / CREW CALL OFF / RESCHEDULE FEE

- Once an Install date has been set, and the customer has been notified, if the customer cancels or reschedules less than 24 hours prior to said install date, a cancellation/rescheduling crew fee of the crews' loss time may be charged for each occurrence.
- If onsite and the crews are asked to leave due to customer reasons, a crew fee of the crews' loss time and trip charge may be charged for each occurrence.

ACCEPTANCE OF TERMS

The signature of the client and/or upon issuance of a purchase order to CCS Presentation Systems constitutes of acceptance of the terms on this proposal.
