## Welcome to the 2024 Belmont Paws in the Parks Program

Paws in the Parks is a pilot program to allow dogs on certain town playing fields. The pilot will run from April 1, 2024 – December 31, 2024. At the conclusion of the pilot we will evaluate the program and make changes as necessary. The program may also be changed at any time if circumstances warrant.

All dogs on the fields must have a current license. In addition, off-leash dogs require a Paws in the Parks permit.

### Paws in the Park Off-Leash Permits

Issued by the Belmont Recreation Department and are NON-REFUNDABLE. A permit includes an off-leash tag for each dog.

All permit holders must sign a code of conduct and attend a Paws in the Parks Program orientation (approx. 15 minute zoom). After completing the orientation, you will receive your tags.

To Register for the Paws in the Parks Program go to [www.BelmontRec.com](http://www.BelmontRec.com)

## 2024 Belmont Paws in the Parks Program Applicable Town Bylaws and Enforcement

### **§ 60-200. Pets and other animals.**

C. No person who owns, keeps or controls a dog shall allow the dog to run free when not restricted to the premises of said person, except as permitted by the Board of Health. Except as otherwise provided in this section, such dogs shall be leashed and curbed when off such premises.

#### D. Removal of feces.

(1) Each person who owns, keeps or controls a dog within the Town shall remove and dispose of any feces left by such dog on any sidewalk, street, park or other public area or on any private property that is not owned or lawfully occupied by such person.

(2) No person who owns, keeps or controls a dog within the Town shall permit such dog to be on any sidewalk, street, park or other public area unless such dog is accompanied by a person carrying a device that is suitable for picking up and containing feces, unexposed to such person and to the general public.

(3) For purposes of this subsection, feces may be disposed of only at a place suitable and regularly reserved for the disposal of human feces or otherwise designated as appropriate by the Board of Health.
