Ground Floor Plan

Second Floor Plan

An aerial photograph of the Belmont Public Library and its surrounding neighborhood. The library building is a large, modern structure with a flat roof and several wings. It is surrounded by a parking lot filled with cars. To the left of the library is a large, open field. To the right is a residential area with houses and trees. The entire image is overlaid with a semi-transparent blue filter. A central graphic consists of three stacked rectangular boxes: a red top box, a light blue middle box, and a dark blue bottom box, each containing a word in white, sans-serif, uppercase letters.
