

# REUSE BEFORE YOU THROW AWAY

A bulky item is normal household trash that will not fit into the cart. Some examples are furniture (do not break down), rugs (cut in 4 ft. lengths and tied or taped, no more than 3 rolls per week, weighing no more than 50 lbs. per roll).

Before throwing out bulky items in good condition or if you have a large quantity, check out these organizations for pick-up or drop-off.

## Organizations That Accept Certain Bulky Items

**Good Will**, 617-445-1010, <https://www.goodwillmass.org/donations/what-to-donate.html>
