Select Board Initiatives:

Seeking Applicants for Appointment to School Committee: An unusual opportunity has become available for a temporary appointment to the Belmont School Committee. This critically important volunteer board of six members establishes goals, policies, and the budget for the Belmont Public Schools. The School Committee also participates in collective bargaining with employee organizations and evaluates the Superintendent.

All Belmont residents age 18 and over are encouraged to apply via the Town's website. The selected candidate must be a registered voter of Belmont. School Committee members have included parents, lawyers, business people, scientists, educators, researchers, and a variety of other backgrounds.

To apply, please click on "Volunteer Opportunities" on the home page, click on the link for appointment to a Belmont Committee, and click yes to "Are you interested in specific committees." Type "School Committee 2021" in the box labeled "Interested in a Committee not listed above?" You can then fill out the rest of the short form and upload a CV or resume. Please include a concise statement of interest in the text box.

Community Updates:

Town Clerk

As a result of the 2020 Federal Census, Belmont needed to redraw our precinct lines to align with the goal of a balanced population among our eight precincts. A balanced population means balanced Town Meeting representation. The Town's Reprecincting Team, consisting of the Town Clerk, Assistant Town Clerk, GIS Specialist and Community Development Director, worked through many scenarios to achieve the required balance of the reported census block data. The Team led a public process, and shared the draft of the map and analysis at several public meetings. Belmont's 2020 census population is 27,295, an increase of more than 2,500 from the 2010 data. The Select Board voted the map and underpinning data October 25th; the Town Clerk has submitted Belmont's certified precinct plan to the State and await the vote of approval by the State's Local Election Districts Review Commission. Approved changes will be effective December 31st and in place for the April Annual Town Election.

Board of Health Community COVID-19 Testing after Halloween

In an effort to curb the spread of COVID-19, the Town of Belmont is partnering with the Town of Lexington to offer free COVID-19 PCR testing following Halloween. There will be two upcoming testing events, and both are open to residents of Belmont and Lexington, regardless of the testing location.

Physician One Urgent Care will be providing the testing. ***Please note:*** *You will need to set up an account on their website through the highlighted link below to register for a COVID-19 test, and to view your test results.*

You must have an appointment to be tested. Proof of residency is required.

- Thursday, November 4 from 4:00-7:00 PM
173 Bedford Street, Lexington (drive-through testing—remain in your car)
- Saturday, November 6 from 9:00 AM – 2:00 PM
Chenery Middle School, 95 Washington St., Belmont (indoor testing)
