The original filing of the above-referenced campaign finance report is being amended for the following reason(s):

In preparing the year-end campaign finance report for the Committee to Elect Roy Epstein and reviewing total donations and expenditures, we discovered two bills for signs, paid for by the candidate on 4/2/2019, that we had not scheduled as either receipts or expenditures in the campaign's 30-day, post-election report. Schedule B (attached) includes all information for the two bills, which total \$1,325.47. We have adjusted total expenditures upward by this amount. Schedule A (attached) lists payment of those two bills as a donation by the candidate to his own campaign. Total receipts have also been adjusted upward by the same amount.
