Re: 5 Williston Road, Belmont, MA

Dear Mr. Chairman and members of the ZBA:

We had submitted a Special Permit application and cover letter to request approval to convert 2 commercial units to 2 residential units, as per our submitted plans. On July 11, the ZBA unanimously voted in favor of the application.

The written decision indicates that we have a special permit to convert one unit and we are requesting the ZBA to clarify the issue.
