To Whom it Concerns,

I am an abutting neighbor of Ms. Amanda Forsythe of 50 Cross St. I understand that she would like to build a sunroom on her deck. Please let it be known that I have absolutely no concerns about this change. I do not believe it will impact me negatively in any way.

Thank you,

To Whom It May Concern,

My name is Paul Roberts.. I am a 17-year resident of Belmont and Town Meeting Member from Precinct 8 who lives at 54 Cross Street. I am writing today in support of a petition by my nextdoor neighbor, Amanda Forsythe, to construct a sunroom addition to her home at #50 Cross Street.

Ms. Forsythe's property abuts my own. I will have a view from the rear of my lot to the new sunroom, which will replace a deck in Ms. Forsythe's back yard. Ms. Forsythe has shared her plans and the drawings of the design of the sunroom with me and my wife, Dr. Lisa Starobin, and we are both supportive of her plans and have no objections to the design. We both believe Amanda's new sunroom will greatly improve the lot while not impacting surrounding properties.

We look forward to seeing this project approved by the Town!

Sincerely,
